

BALTIC
— INSTITUTE —
OF CORPORATE GOVERNANCE

DEAR MEMBERS AND GRADUATES

BICG invites you to a seminar organised in cooperation with BaltCap. During the seminar you will have a possibility to listen as well as to exchange experiences on the following topic: **Professional institutional (private equity) shareholder's view into necessity of corporate governance.**

This will be an interactive session where BaltCap will present a shareholder view into investment decisions as well as a case study on a company where they put corporate governance to practice as an institutional investor and bettered the value of the company as a result. There will also be an opportunity to share your own knowledge and ask the opinion of like-minded members on corporate governance related issues.

- 08.30-09.00** Welcome and networking
- 09.00-09.10** Introduction by BICG, Paulius Martinkus
- 09.10-10.00** Presentation by BaltCap, Martin Kodar
- 10.00-10.30** Experience exchange by participants on successes and challenges
- 10.30-11.00** Coffee and networking
